Fall Safari 2011

BY LARRA BUSH

On October 7-9th, TREC held the first ever Fall Safari. We had seven rovers and even more people enjoying a weekend of roving, nature, and friendship at Fall Creek Falls State Park.

The first night, Mamma Rosa's supplied us with awesome spaghetti. It was delicious. Make sure you go by and try some of their terrific food when you are in Cookeville.

The next morning, Brandon Jelson prepared some amazing breakfast burritos (thanks Brandon). The first trail was great. A little dusty...lol...but fun. We returned to camp for some sandwiches for lunch. Martin Bush and Brandon Jelson organized a scavenger hunt where one could win Rover Bucks (the one with the most Rover Bucks at the end of the Safari won a prize). I was got the opportunity to worker with the younger people to do an arts and crafts

project where we made placemats out of leaves we found around camp.

The afternoon trail turned into a combination afternoon and evening trail. There were some very technical spots that everyone made it through without damage (always good to have no damage...lol).

Each night there were smores and marshmallows to toast. Around the camp fire was one of the most relaxing times. On Sunday morning, there was a sunrise tour of the park, which was amazing. It was followed by a devotional presented by myself and Martin Bush.

Before everyone left, we went to the falls. After that, everyone packed up and left. Can't wait until next years Fall Safari 2012.

NOVEMBER TREC MEETING

BY MARTIN BUSH

TREC met for their November 2011 Meeting at the normal meeting place, Perk Up in Cookeville, TN.

Thanks to Brandon Smith with Putnam County EMS for the presentation and helping us with our own first aid kits.

See everyone in December.

T.R.E.C. IN THE COMMUNITY

BY LARRA BUSH

Martin Bush and I went into the community on Friday, October 27, 2011.

We went to Maple Grove School in Clay County, TN. This is the smallest public school in the state of Tennessee. There approximately 30 students at this K-8th grade school. There are three teachers that cover the nine grades.

Martin showed the children what the

different features his vehicle has. Martin also had a question and answer time for the students.

HELPING THOSE LESS FORTUNATE THAN US...

BY MARTIN BUSH

We are helping those who are less fortunate than us this Christmas season.

If you would like to participate, bring three wrapped gifts to the December meeting on December 3, 2011 at 10am at Perk Up Espresso in Cookeville. These gifts will be distributed to needy children in the Upper Cumberland area.

Please be sure to put a post it note on the outside of the gift that says what the gift is...that way, we will know whether to give it to a boy or a girl and what age to give it to.

Thanks in advance for your participation!
